

# ICT Long Term Plan

## Year 3

Term		Topic	Unit of ICT	
Autumn	1	All Creatures Great and Small	ICT Computing 3.6 We Are Opinion Pollsters	Children to create surveys based around their eating habits and a healthy diet. First discuss in Science how humans need nutrition and the types of food we should be having before moving onto creating a survey.
	2		ICT Computing 3.3 We Are Presenters	Children to do a video of them playing sport and narrating over the top. With their narration, children to focus on their skeleton and muscles used while playing.
Spring	1	Dinosaur Detectives	ICT 3.3 We Are Animators	Children to create an animation using dinosaurs as the main characters and how they might interact with one another.
	2		Microsoft Office	This is a chance for children to recap their skills for Word and Power point. For half the half term children to design an advert for a pet dinosaur using Word. For the second half, children to create a presentation about dinosaurs.
Summer	1	Catapults and Crossbows	ICT 3.1 We Are Researchers	Children to research information about knights and castles from the time frame of medieval times.
	2		ICT 3.2 We Are Comic Writers	Children to create a comic strip centred around the Battle of Hastings (sort of a modern version of the Bayeux Tapestry!). Children to condense the battle down to its main points.
